introduction to criminology why do they do it second edition by pamela j schram stephen g tibbetts offers a contemporary and integrated discussion of the key theories that help us understand crime in the 21st century with a focus on why offenders commit crimes this bestseller skillfully engages students with real world cases and examples to help students explore the fundamentals of criminology to better align with how instructors actually teach this course coverage of violent and

property crimes has been integrated into the theory chapters so students can clearly understand the application of theory to criminal behavior unlike other introductory criminology textbooks the second edition discusses issues of diversity in each chapter and covers many contemporary topics that are not well represented in other texts such as feminist criminology cybercrime hate crimes white collar crime homeland security and identity theft transnational comparisons regarding crime rates and the methods other countries use to deal with crime make this edition the most universal to date and a perfect companion for those wanting to learn about criminology in context
